HILLARD WELCH A DINNER GUEST OF C. EDMUNDS

Mr. C. Edmunds of the Executive Committee of the Frontier Day celebration had the honor of having Hillard Welch, the Donner Memorial speaker, for his guest on Saturday evening.

Mr. Edmunds entertained Mr. Welch at Donner Lake Resort.

Truckee Public Utility Wires President Desire To Co-operate in N.R.A.

After hearing President Roosevelt's inspiring speech on the radio Monday evening, the Truckee Public Utility immediately sent the President a telegram approving the Recovery Program and expressing a desire to co-operate to the fullest possible extent.

The Utility, is doubtlessly, the first organization or corporation in the region to go on record as approving the President's program.

CARD OF THANKS

I wish to thank all those who so generously helped me in the Frontier Queen Contest.

IONE GHIRARD

Eugene Blanchard of Oakland was the guest of Dr. and Mrs. Guthridge over the Frontier Day Celebration.

GOVERNOR ROLPH WELL PLEASED WITH RECEPTION

Received Into Town With Flare of Red Fire, Music and Matted Flags of Every State

Governor James Rolph Jr. expressed himself as well pleased with the reception given in his honor on Saturday evening. In fact, the governor showed very plainly that he enjoyed every moment. The governor and his party, consisting of Governor Green of Rhode Island and Will Rogers, arrived in Truckee at 6:20 P. M. on Saturday evening in a motor caravan with police escort, and proceeded at once to the Sierra Tavern where they were met by Tim O'Hanrahan of the Reception Committee, and given a hearty welcome. Mr. O'Hanrahan's speech was as follows:

"Governors and Distinguished Guests:
On behalf of the citizens of Truckee and Nevada County we feel highly honored by your presence and visit to our little city, the first in California, to have the opportunity and pleasure of extending our hospitality and good wishes for the short time that you will be with us.

The Committee has left no stone unturned to make your visit a pleasant one, and one not to be forgotten."

The Governors' Party was then escorted to rooms which had been reserved for them, and an informal reception was held by Mr. and Mrs. O'Hanrahan. Afterwards Mr. O'Hanrahan took Governor Rolph, Governor Green and Will Rogers to Donner Lake Resort for dinner. Governor Rolph entered into the spirit of the celebration and insisted on shaking hands with everyone in the dining room at Donner Resort. Manager W. B. Gelatt rose to the occasion and secured Vernon Rathburn, a feature saxophone player, just off the RKO circuit, and who has been spending a vacation at Donner Lake to entertain the Governors' Party. Rathburn played a special saxophone number for both Governors and Will Rogers, much to their delight.

At 8:30 P. M. the Governors' Party motored back to Truckee from Donner Lake and were met on West Main Street with a color guard, the Truckee Legion Drum Corps and a company of C. C. C. soldiers carrying the flags of every state in the Union. As the escort came up to Commercial Row, the fire siren flew, red flares were burned, and an aerial bomb salute of 19 burst over the town, echoing back over the mountains.

The Governors' Party was escorted to the reviewing stand erected on Commercial Row in front of the S. (Continued on Page 5)

EAGLES PICNIC AT DONNER LAKE ON SUNDAY, AUG. 6TH

Truckee Aerie No. 1124, Fraternal Order of Eagles, will hold an Eagles picnic at Donner Lake Resort on Sunday, August 6, 1933.

There will be games, races and sports. Also dancing in the afternoon and evening.

Bring your own lunch or you can be accommodated at the Donner Lake Hotel or Coffee Shop.

DOWNIEVILLE EDITOR ATTENDS CELEBRATION

Mr. M. T. Ayres, editor-publisher of the Mountain Messenger, Downieville, Calif., together with Mrs. Ayres and their son and daughter, were among those present at the National Governors' Day and Frontier Day celebration.

Mr. Ayres wore an old time costume of the Frontier Days and attracted considerable attention.

Mrs. M. Finnegan and family of Sacramento are visiting in town for a few weeks.

Jack Dempsey and his bride were in town a few days ago and had dinner at the California Cafe. Jack has a host of friends in Truckee and makes frequent trips here when he is in this section of the country.

GRASS VALLEY HIGH SCHOOL BAND MAKES WONDERFUL SHOWING

The Grass Valley Band, one of the outstanding bands in Northern California, played an important part in the success of the National Governors' and Frontier Day celebration. It is a band that the whole of Nevada County may well be very proud of. The band arrived at 8:15 A. M. Sunday morning and immediately went to the Sierra Tavern Annex and changed into their snappy and most colorful uniforms. The band then proceeded over on the plaza and gave a concert to entertain the vast crowds which had begun to gather.

The band was one of the colorful units of the Frontier parade and won a big applause along the line. In the afternoon the band again entertained the vast crowds.

It was a great pleasure to have this band for the celebration and the Executive Committee is greatly indebted to Frank Steel, county treasurer, for his efforts in making it possible to have the band.

MOVING PICTURES TAKEN OF FRONTIER DAY CELEBRATION

Pathe News of San Francisco had operators and a sound producing truck in Truckee on Sunday and made moving pictures and sound effect of the entire Frontier Day parade and program, including the stage robbery, pony express and speaking from the reviewing stand. A cameraman was perched on top of the truck and worked all during the time the governors' party was in town.

After the Governors' Party continued to Sacramento the four Pathe operators secured rooms at the Sierra Tavern and immediately developed the films and rushed part of them on to New York City via air mail from Reno for national distribution. The pictures will be shown all over the United States in the Pathe News release.

WILL ROGERS MAKES BIG HIT WITH THE FRONTIER DAY CROWDS

Will Rogers had the crowd with him all the time he was at the Celebration.

On Saturday evening a crowd trailed him up and down Commercial Row and pleaded for autographs.

While the pictures of Governor Rolph and Governor Green and the Frontier Day Queen—Miss Veck—were being taken on the reviewing stand, Governor Rolph asked Will Rogers to come up on the platform and join the party, but Will laughed and said—"My place is down here with the common people like myself. Go on, Governor, and have a good time, I'm going to just look on with the rest of the crowd."

A camera man finally did, however, succeed in getting a picture of Will with Governor Rolph and Governor Green with the crowd standing in front of the Sierra Tavern.

Will got the crowd down at the Donner Memorial all in good humor with his wise-cracking rapid fire.

Morning Union Staff Here for National Governors' Celebration

Mr. E. G. Kinyon, vice-president and editor; Mr. M. Henry Argall, secretary-treasurer and Mr. Robert T. Ingram, city editor of the Morning Union of Grass Valley, Calif., were in Truckee last Sunday for the National Governors' Day celebration.

The staff called at the Truckee Republican office during the day.

C. C. C. BOYS PLAY IMPORTANT PART IN THE CELEBRATION

The boys of the Truckee Camp of the Civilian Conservation Corps played an important part in the National Governors' and Frontier Day celebration. The manner in which they handled the colors of all the States of the Union and the Fremont Party Unit has brought forth no end of favorable commendation.

The executive committee is heavily indebted to Captain Lockwood and all the boys who participated.

AMERICAN LEGION PLAY IMPORTANT PART IN CELEBRATION

Initiation of 40 & 8 and Spectacular Parade Add to Entertainment of Visitors

The executive committee in charge of the National Governors' Day and Frontier Day celebration are proud in their praise of the generous contribution which the American Legion made in entertaining the visitors and guests at the celebration.

The establishing of the new Nevada County La Societe des 40 Hommes et 8 Chevaux, commonly known as the 40 & 8, was an interesting event.

The 40 & 8 held a parade on Commercial Row at 10:15 P. M., just before the Governors' Party started for the state line, and put on a demonstration of fireworks, bombing which attracted no end of attention.

Part of the initiation was held along Commercial Row for the entertainment of the vast crowds, but the important part was done in the 40 & 8 headquarters established for the occasion in the Sassarini building on River Street.

The new organization was instituted under the direction of Ted Hull of Oakland, and it was Ted who, thru much enthusiasm, aroused sufficient interest to establish the local Voiture. Ted had worked for days in getting things lined up for the initiation and he did a wonderful job. He held the title of Special Conductor. The degree work was done by the Voiture of Nevada in charge of Grand Chef de Gare Elard of Reno.

Chef Mello, Grand Chef de Gare for the State of California took over the direction of the so called "wreck." Dr. L. J. Kirkhoff of Jackson, Grand Chemist was also on hand to assist in the work.

At midnight a special banquet was served to the new members of the Nevada Voiture of the 40 & 8 and their friends and all the visiting officials from Nevada and California.

A special feature of the banquet was the presence of Governor Paul McNutt of Indiana, a Past National Commander of the American Legion and the first United States Minister to Canada.

Governor McNutt gave an inspiring talk to the legionnaires and commended them highly on their activities in Nevada and California.

The following legionnaires make up the membership of the new Nevada County Voiture: Hugh McColl, Harry Benson, James Melver Jr., Albert Gillette, Geo. Noonan, Frank Hosford, John Patton, Harry Byron, Earl McCue, Charles Winslow, Frank Kinne, Frank Holt, Peter Borsi and John Scapinello.

OLD TIME ENGINEER HERE FOR NATIONAL GOVERNORS' DAY

J. V. Cronan, pensioned Southern Pacific engineer, was in Truckee for the big celebration.

Mr. Cronan used to run between Truckee and Wadsworth back in 1881.

He makes his home with his daughter, Mrs. J. Donovan of 716 23rd Street, Sacramento.

Mr. and Mrs. Donovan were also at the celebration.

QUEEN'S COSTUME ATTRACTS ATTENTION

The Frontier Day costumes worn in the parade by the Queen of the Frontier, Miss Mary Veck and her escorts, Miss Ione Ghirard and Miss Lovey Edmunds, brought forth many favorable comments.

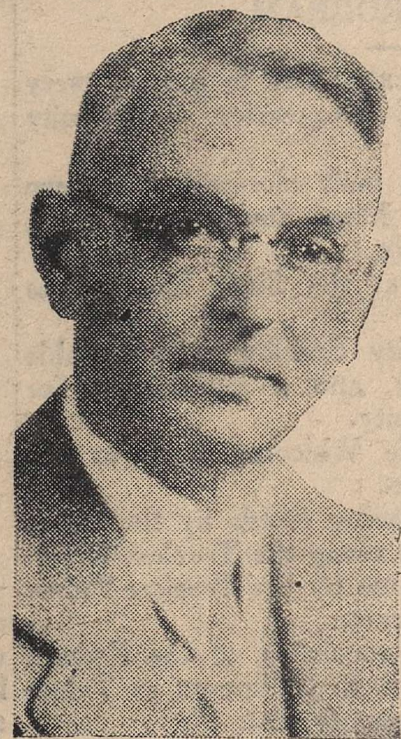

Miss Veck's costume was of white buckskin made with divided skirt and jacket and worn with a white satin blouse and her escorts wore similar costumes of yellow buckskin with yellow satin blouses.

Bazaar and dance for benefit of the Catholic Parish at the Tahoe Tavern Casino Thursday night, July 27, at eight o'clock. Tavern orchestra, games, fancy hand work, beautiful all hand made cedar chest filled with a choice selection of dainty pieces to be given away and many other attractions.

5,000 Attend Truckee National Governors' Frontier Celebration

Seventeen Governors, Will Rogers and Host of Distinguished Persons Of National And State Fame Review Old Frontier Day Parade And Celebration. Hillard Welch Makes Address At Donner Memorial

GUEST SPEAKER

RAGLAN TUTTLE

Days will come and days will go, but—we doubt if the memory of the Truckee National Governors' Day and Frontier Day Celebration will be forgotten.

It was a big event for Truckee; it was a big event for Nevada County; it was a big event for California.

While the visiting governors may dine in great luxury and have honors galore showered upon them in San Francisco and Los Angeles, somehow we are inclined to believe that they will always remember the old frontier town of Truckee and the men and women of the Sierra who gave them a whole-hearted welcome from the depths of their heart.

It was a most signal honor that Governor Rolph conferred upon the men and women of these mountains, when he agreed to bring his distinguished visitors here in order that we might pay homage to them, and—it was a staggering undertaking to work out the details and make the arrangements to put on a welcome which might meet with his approval.

For days and weeks, preparations were underway. The town was decorated from "top to stern" with flags and bunting and streamers. For days the work of completing arrangements went steadily on. Suffer for the committee in charge became unknown, and excitement became so intense that food was not required.

SUNDAY

The official entourage consisting of 25 motor cars, and driven by carefully selected uniformed state highway patrolmen, arrived in Truckee at just 11:08 A. M. Sunday morning. The party consisted of Governor James Rolph of California; Governor Green of Rhode Island; Governor Olson of Minnesota; Governor Park of Missouri; Governor LeVerne of Iowa; Governor Cross of Connecticut; Governor Balaar of Nevada; ex-Governor Hardee of Florida, secretary of the conference; Governor Blood of Utah; Governor Cooney of Montana; Governor Martin of Washington; Governor Meier of Arizona; Governor Ross of Idaho; Governor Winant of New Hampshire; Governor Pollard of Virginia; Governor Allen of Louisiana; and Governor White of Ohio.

(Continued on Page 4)

MANY NOTABLES AND DIGNITARIES PRESENT AT FRONTIER DAY

It is impossible to give a list of all the notables and high dignitaries who were present at the National Governors' Day and Frontier Day Celebration as with the confusion and rush a careful check was impossible.

Lieut. Governor Frank Merriam and State Senator Edwards of Orange County were here and made a special visit to the Republican Office to express their appreciation of the fine time which they had.

United States Congressman Buck of Napa was on the platform with the governors.

State Senator Jerry Seawell and Mrs. Seawell were at both the Saturday night reception and the Sunday celebration.

The entire Nevada County Board of Supervisors, consisting of E. B. Dudley, chairman, C. S. Arbogast of Nevada City, Frank J. Rowe of Grass Valley, Joseph A. Frank of Rough and Ready and Alex Robertson of Hobart Mills were all here. R. N. McCormack, county clerk and Frank Steele, county treasurer, were also present.

The chairman of the Plumas Board of Supervisors, Mr. B. P. Pauly, and a number of Plumas county officials were also here.

Mrs. M. Porter and daughter Millie Lou returned from Auburn Saturday where Millie Lou underwent a tonsil operation.

HIGHWAY PATROL DO FINE JOB DURING FRONTIER CELEBRATION

Too much praise cannot be given the California Highway Patrol for the high type of efficient work which they rendered during the entire Frontier Day and National Governors' Day Celebration.

Twenty five traffic officers under the direct supervision of Chief E. Raymond Cato, Inspector Quinn and Captain Blake did a marvelous job of keeping the huge crowd under perfect control at all times.

The manner in which the difficult parking feature was handled and Commercial Row kept clear has caused a great deal of very favorable comment.

Inspector Quinn and Captain Blake went to a great deal of trouble to perfect complete plans in advance as to handling the crowds and the town is greatly indebted to them. The fact that there was not a single motor accident over the entire celebration speaks as nothing else can as to the high efficiency on the part of the traffic officers.

Nevada County Sheriff And Deputies Handle Local Police Affairs

George Carter Nevada County Sheriff, took personal charge of his deputies and did a fine job all during the Governors' Day-Frontier Day Celebration.

George came over on Friday and got things all lined up in fine shape, and kept the crowds well in hand at all times.

The sheriff deserves the highest possible commendation for his splendid work all during the celebration. Southern Pacific special officer A. Pfandler also deserves commendation for his fine work on the S. P. property.

CORRECTION

In last week's issue of the Truckee Republican mention was made on the last page that W. K. Gast was supervisor of the Nevada Packing Company. This was an error, as we have been advised that Mr. Gast is a supervisor for the Carson Valley Packing Company.

We regret the misunderstanding.

LEGION MOONLIGHT BOAT RIDE TO BE HELD ON AUGUST 5

Truckee Post, American Legion will hold their second annual moonlight boat ride on Lake Tahoe on August 5th.

Tickets for this annual event may be obtained from any legionnaire.

COMMUNITY PROGRAM

The Truckee Republican stands ready to extend every possible aid to the following progressive community program.

1. The establishment of a park alongside Southern Pacific Company's property on Main Street, with trees, shrubs, flower beds and a fountain.
2. Moving the Memorial at the State line to the new proposed park.
3. Building of a Community Building with suitable auditorium for public gatherings, and a gymnasium for the young people of the community.
4. The erection of suitable Welcome signs at the east and west entrance to Truckee.
5. Establishment of fish rearing ponds by the California Fish and Game Commission along the Truckee River.
6. Operation of water systems by the Truckee Public Utility District to enable cheaper rates.
7. Forming a new county consisting of the Eastern end of Placer and Nevada County, to be known as Tahoe County, and with Truckee as the county seat.

Such a move is imperative for the development and expansion of the Truckee-Tahoe-Sierra Region.

A SUCCESSFUL CELEBRATION

We believe that even the most confirmed pessimist and cynic will agree that the Truckee National Governors' and Frontier Day celebration held last Sunday was one of the outstanding events ever held in the Sierra mountains.

Such a celebration was a gigantic task for so small a town as Truckee. It was a real test of leadership and without any desire of appearing ostentatious, we believe the town can well be proud of the manner in which the distinguished visitors of the nation were entertained.

The people of Nevada County are under a big debt of gratitude to Charles B. White for the high type of service which he rendered as chairman of the celebration. It was his staggering burden to assume the responsibility for the success of the event, and the manner in which he threw his heart and soul into the work of putting the celebration over the top will be long remembered.

While it is utterly impossible to adequately thank everyone who has assisted in making the celebration so successful, we wish to have everyone know that the committee is most grateful for the high spirit of co-operation shown.

Special mention is due the executive committee which served with Mr. White, consisting of C. Edmunds, A. P. Leitch and James McIver Jr. These men worked with might and main with Mr. White in handling the huge problem which confronted the Executive Committee. Each one gave his best; his all, and deserve the highest possible praise. The detail involved in putting over the National event turned out to be multitudinous. The last two weeks leading up to the celebration brought a flood of letters and telegrams, without number, to be handled. The committee was besieged with inquiries from all sides concerning the celebration. Special individual invitations were typed and sent to every outstanding man of affairs in the Sierra Region in addition to a great many high officials and dignitaries in various parts of the state. The task was stupendous.

And special mention must be made of the various chairmen of the general chairman's committee. Hugh McColl, chairman of the Entertainment Committee worked night and day for two weeks in order to put his end of the celebration over with a bang; Mrs. Guthridge, chairman of the Queen Committee did a wonderful fine job; Rev. F. J. Moran, chairman of the Reception Committee, did his utmost for the success of the event. Others who must be mentioned are Pete Passenetti, John (Dutch) Patton, Frank Gaiennie, Mrs. Dave Cabona and Mrs. Bob Tonini.

Miss Catherin Rossarini, chairman of the financial committee, had one of the most difficult of all tasks, and did a splendid job with the assistance of Dick Joseph and Frank Gaiennie.

Ted Hull of Oakland, who not only decorated the streets and business establishments in town, but also threw his heart and soul in helping the committees in every possible way, is deserving of the highest thanks and praise.

And high credit must be given to Frank Steel, treasurer of Nevada County, for his splendid support and assistance with the Grass Valley Band. Alex Robertson and all the other Nevada County Supervisors deserve commendation, as well as George Carter, Nevada County Sheriff.

EDITORS CO-OPERATE

It is impossible to put on a successful celebration of

THE ONLY REMEDY

any sort without publicity, and lots of it. In connection with the Truckee Frontier Days and National Governors' Day held last week end, the executive committee in charge are deeply grateful to the editors who made our success possible. Special thanks is due the editor of The Sacramento Bee for his very generous support, and the Bee has made many firm friends in Truckee for the spirit of co-operation shown. The editor of the San Francisco News is also to be highly commended for the fine support we received.

Editor Ayres of the Mountain Messenger at Downieville, gave us splendid support both in the news columns and the editorial. He was one of the very first to show a spirit of close co-operation. Other editors who put themselves out to help us were: Jim Nugent of the Sierra Valley News at Loyalton; Bert Cassidy of the Journal at Auburn; Editor Finney of the News-Messenger at Lincoln; Editor Kinyon of the Morning Union in Grass Valley (Mr. Kinyon was one of the first to co-operate with us). George Dawley of the Biggs News also gave us a good share of publicity.

The committee is also heavily indebted to William F. Kilcline, manager, Bureau of News, California State Automobile Association of San Francisco. Mr. Kilcline went the limit to help put the celebration over in a big way.

The Reno Chamber of Commerce is also to be highly commended for the high type of close co-operation shown Truckee. The chamber put on a special radio broadcast in connection with the celebration.

Without the publicity from the above named editors, our high success could not have been realized, and the Executive Committee which was in charge, are most appreciative.

YOUR GOOD HEALTH

Learn to Take Your Medicine Without Making a Fuss

By CLAUD NORTH CHRISMAN, M.D.

"TIME to take your medicine!" How we hated the words! And still do, for that matter! Almost any break in the tedium of illness is welcome except the one of swallowing some remedial dose. Drug manufacturers have spent fortunes in trying to make palatable the required dosage. The advertising sheets are full of promises of the guaranteed tastiness of certain remedies and half the time this superficial appeal controls the public's choice of purchase. Perhaps, the inhibition is a hang-over from childhood days when many times a favorite threat of punishment was a dose of some sort.

DR. CHRISMAN

PAREGORIC wasn't so bad because it usually appeared on a lump of sugar but, that dreaded castor oil! Happily there has been a commendable trend of parental education against using threats of any kind as a form of conduct control. Certainly, we should not use it in connection with anything that may be a factor in recovery from illness. Many a serious crisis in human ailments has been complicated by the fact that the patient refused to take the remedies prescribed.

PHYSICAL illness is far from being the only case in which we have to "take our medicine." I am convinced the attitude we assume in swallowing down the necessary remedy has much to do with our recovery. In the first place, it isn't necessary to make such a bitter dose of it. We control many of our sensations. Why not control the sense of taste? If the mouth, tongue and throat are relaxed and the objectionable dose swallowed easily, the taste organs are not so constricted and the medicine passes quickly by. Instead of ending with a grimace and a convulsive shudder of distaste, forget it at once and go on as if nothing has been done.

PROBLEMS that can not be avoided, are always better met by working with them rather than against them. We use up a great deal of energy in this life trying to get away from certain remedies we should accept as required and swallow quickly.

"CALICO"

By Griffith Bonner

TAHOE CITY—Special—Today we met Calico, and were proud to make the acquaintance of this famous horse. From the age of four we started to meet horses, valued at many thousands of dollars, but to us Calico was among the wonder horses we have met.

Tradition is often far richer than mere dollars and cents. Many achievements of both man and beast cannot be purchased with mere dollars alone.

Calico, a horse in itself, typifies the spirit of the mountains. This beautiful piebald spotted animal, once the property of that great guide and pioneer, the late Bob Watson, so well known throughout all of Northern California and many other points, knows the trails, the highways and byways of the mountains better than many men. Today this famous horse is the property of Mr. and Mrs. Bob Watson Jr. of Tahoe City and is happy to be carrying on the fine traditions of the Watson family. With Miss Mildred Watson astride, this beautiful animal is bringing joy

The Letter Box

ADVERTISING

Dear Mr. Bavier:

Suppose that beginning tomorrow, all the newspapers were discontinued. What a fuss the general public would make.

"News News." We must have our news or we are no better off than the ancients were. All right. Suppose we give them the news and cut out the advertisements.

Then you would find that politics, doings of society, stories of fires, deaths, accidents, sports, the police and other news added little or nothing to the real comfort and history and happiness to your reading.

Advertising is a major portion of the world news and represents the looms of all furnaces, of all the laboratories, of all the shops, and of all the stores of the world and is working for YOU.

As a result of advertising, luxuries and necessities that at one time cost a King's ransom are yours at little prices. Advertising puts merchant against merchant, artisan against artisan, producer against producer, for your benefit, forcing out the best there is in everybody and telling the world about it.

Read the advertising in the Truckee Republican and keep abreast of today and the doings in the district where you live. Advertising furnishes you with facts and opportunities that otherwise you would never know. Support the Hometown paper and its advertisers at all times.

Respectfully yours,
GRIFFITH BONNER

A certain oil burner company is giving a diamond away to the purchaser of each unit. The buyer can't wear it though, for it's made into an atomizer nozzle, with a hole one-fiftieth of an inch in diameter drilled through it. Cheap bort diamonds, not suitable for jewelry, are used.

Dr. DRILL is a dentist at Princeton, Wis.

to the third generation of the Watsons.

We were pleased to meet Calico and as we pass the Tahoe Tavern sign showing Bob Watson Sr. and his red coat astride Calico, this sign will mean more to us as it typifies the spirit of the mountains.

We know of other great horses that have been linked with families and as we saw Calico we thought of our own Maud S. trotter, 2:08 3/4 to the high wheeled sulky in the Bonner family for three generations. These wonderful animals carry on family tradition and family history. As we looked at Calico we could not help but wish that once again Bob Watson Sr. were astride him starting out again on one of his famous deer hunts or scouting trips.

EXERCISING IS ONE GOOD METHOD TO GAIN BEAUTY

By JACQUELINE HUNT

ONE of the things that the pretty woman must have is an attractive body. And an attractive body, from time immemorial, has depended on exercise for its beauty and health. It needs walking, dancing, swimming, breathing deeply and stretching. It needs little special exercises to keep the feet right side, keeping them at the shoulder level. Rest a second and then swing the legs to the right side as you swing your arms to the left. Now do the exercises to count, swinging with your feet and arms in opposite directions for several times without stopping. Continue this exercise until you can feel the squeeze on your abdomen.

MISS HUNT

If you are past thirty, your body also needs special exercises to keep the middle of you young and slim and flexible. Getting old is not so much a matter of years as it is letting the middle of you get thick and stiff. Choose a set of exercises that make you stretch and bend and twist and have character enough to work at them every day. If you don't, you are letting yourself get thick and heavy and old without a protest.

Exercises are hard work if you make them an unpleasant duty to be rushed through while you worry about other things. You are bound to be disappointed, too, if you look in the mirror every day to see if you are an inch smaller around the hips. So many women try a beauty treatment once, or take one set of exercises, and then, when they can see no change, say, "The treatment is no good." These women lose the magic—the inspiration—to be found in the search for beauty, and they fail to reap the benefits.

"When you save the middle,

you save all," might well be a beauty adage. Certainly, when you keep your waistline slim and graceful, you save your figure, and when you tone the abdominal muscles, you tone the entire system. Try this exercise every single day and see what it does for you: Sit on the floor and rock back slightly, keeping the body well balanced. Hold your hands in front of you on a level with your shoulders and raise your feet slightly, crossing your ankles.

Now swing your legs off the floor and to the left side as you swing your arms forcibly to the right side, keeping them at the shoulder level. Rest a second and then swing the legs to the right side as you swing your arms to the left. Now do the exercises to count, swinging with your feet and arms in opposite directions for several times without stopping. Continue this exercise until you can feel the squeeze on your abdomen.

You must also learn to relax—body and mind. When you rest, learn to let your body go as limp as a rag doll. Exercise also helps with the relaxation. Drop down on your couch or bed, raise one leg and then let it drop as though it were made of lead. Raise the other and let it drop. Raise one arm and then the other, wiggle your fingers and toes, and finally raise your head and let it drop back on your pillow. Close your eyes.

Don't think about your troubles, or the work waiting to be done—don't think of anything at all if you can help it. If you must, then think of agreeable things, or turn on the radio and find a program of soothing music before you take the relaxing exercise. Learn the trick of relaxation and watch your face take on a new softness and beauty.

TAHOE REGION NEWS

By "SWANEE"

On Monday Miss Barbara Westphal, daughter of Mr. A. R. Westphal, accompanied by David Farmer Jr., enjoyed her first horseback ride. On horses rented from the Tavern stables, the young equestrians traversed several miles of scenic trails beside the Truckee River. They were escorted by a competent guide from the stables.

The only accident reported on Sunday, despite the enormous crowds which attended the Governors' Day celebration, was on the Dollar Grade. Harry Devlin, accompanied by four friends, lost control of his car when crowded off the highway by another machine, and rolled some 60 feet down the embankment, the car landing, miraculously, right side up. The party, two of whom were infants, one only two months old were badly shaken up and cut and bruised, but refused medical aid. They were taken to Reno, while Nelson's Garage endeavored to salvage the car, which was badly wrecked. Inspector E. McKee investigated the accident.

On Saturday night Mr. and Mrs. Otis Hursay observed their fifth wedding anniversary by celebrating with a dinner and social evening. Among those present were Mr. and Mrs. Herbert Nichter, Mr. and Mrs. Earl Nelson, Mr. and Mrs. William Topp, Mr. and Mrs. Charles Swanson and son Jimmie, Miss Louise Bartholomew, Arthur Goerlitz and Mr. and Mrs. Otis Hursay and son Roger Phillip. A lovely cake decorated with forget-me-nots and many presents were presented to the hosts.

On Monday night Mr. and Mrs. Ed Lathe, who are occupying the Brougher house, entertained a number of friends at dinner. Covers were laid for eleven. Those present were Mr. and Mrs. J. J. Watt and Beverly Ann (Mr. Watt is a guard at San Quentin), Mr. Joe Redding of Nicasio, Marin County, Elsie Bell Brugher, Jayne Lathe, Mr. and Mrs. Charles Swanson and son Jimmie and the genial hosts Mr. and Mrs. Ed Lathe. Other guests who dropped in later were Mr. and Mrs. Joseph Tallarico of Oakland.

Tahoe residents are urged to lock their cars when leaving them for any length of time, as a number of cars at Brockway two weeks ago were ransacked and many things taken by a sneak thief.

Mr. and Mrs. Clifford Hansen of Reno spent Sunday at their Brockway summer home entertaining as their guests Mr. and Mrs. A. M. Anderson, Mr. and Mrs. James Shirley and children and Mr. and Mrs. Chester Hart of Reno. Mrs. Cecil Wright and Mrs. P. Harbert, both of Stockton, returned home after spending two weeks at the Hansen cottage.

Worden Court Smith and wife of Folsom have occupied for some weeks the Chris Boyareides home

in the Bettencourt Tract.

The motorboat races scheduled to be held next Sunday at Chambers' Lodge are drawing many prominent out of town guests. Among them at Chambers are Commander E. G. Pethrick, who is commandant of the Outboard Assn. of Northern California, Capt. M. F. Tarpey, Dr. A. Sonnenberg and son and brother Otto Sonnenberg, L. A. Simon and Mr. and Mrs. H. M. Bailey, all of San Francisco, Ray Post, Mary Lamb Pay Vaughn and Mr. and Mrs. F. Petty, all of Sacramento, and John K. Hull, prosecuting attorney of Long Beach.

The races will start at 10:00 A. M. and the last race is scheduled at 4:20 P. M. Among the well known racers who are entering the contest are E. S. Clayton of Santa Rosa driving the "Mollie O," Dale Frankze of Fresno driving the "Grand Slam," Ed Weser of Marysville driving the "Spunky," Dan Arena driving the "Blue Devil," and Mrs. G. C. Speegle of Watsonville entering five boats. Loretta Turnbull and Stanley Dollar Jr. will also compete. A large crowd is being anticipated and many reservations are being made in advance.

Bradford Young of San Francisco just twelve years old, had the thrill of his lifetime while vacationing at Homewood Hotel, when he caught all by himself, a fine four pound trout off the Homewood wharf. Other guests at Homewood Hotel include Mr. and Mrs. S. P. Jones, Mr. and Mrs. J. C. Hunt, Mr. and Mrs. J. Donlon and Mr. and Mrs. Young Mr. and Mrs. M. D. Palmer, all of San Francisco, Mr. and Mrs. Thomas Ryan of Los Angeles, H. A. Miller of Bend, Oregon, Mrs. Ed Hommell of Roseville, L. S. Fowler and family of Sacramento and Mr. and Mrs. R. O. Hanson of Paso Robles.

Mr. and Mrs. J. C. Sharp spent some time at the Valentine Summer Lodge recently, greatly enjoying the scenic beauties of Tahoe. They were especially interested inasmuch as Mr. Sharp's great-grandfather Reed was one of the noted Donner party who managed to survive the terrific hardships of that fatal trip. They viewed the Donner monument and other notable spots of history before returning home.

I'm wondering if Will Rogers knows yet that the little tree given him Sunday was only a joke. He's to have a big one too, just like the Governors, says H. F. Droste, who plans on writing Rogers soon in forming him accordingly.

MEEK'S BAY ITEMS

By Mrs. Chas. Heller

Oswald Kehlet, owner of Meeks Bay, is spending a few days in Pasadena on business. He just returned from a tour of the northern part of the state. He expects to return to Meeks Bay for the remainder of the summer.

Mrs. Evelyn Morgan of Sacramento has returned from a month's tour of the north spending part of the time in Skagway, Alaska. Mrs. Morgan, with her daughter Evelyn and her mother Mrs. Jurgens of Sacramento, are occupying their summer home near Meeks Bay.

Mrs. Clara Baker of the Meeks Bay Cafe was delightfully surprised on her birthday Friday, July 21. The party was arranged by the restaurant staff of workers. A beautiful birthday cake in colors of yellow, green and white was a work of art.

After a jolly social evening the honoree was the recipient of many lovely gifts. Guests included Mrs. S. E. Murray of Roseburg, Ore., Mr. J. H. Murray of Roseburg, Mr. Deario Minaja of San Francisco, Miss Frances Poponee of Pomona, Miss Isabel Poponee of Pomona, Mrs. Edna Baker of Bakersfield, Garland Isles of Roseburg, Mr. and Mrs. Will Blalock and daughter Thelma of Roseburg, Jack Baker and Mr. and Mrs. J. G. Baker of Bakersfield.

Mrs. Oswald Kehlet, accompanied by Miss Anna Kehlet, Mrs. Fred Kehlet and children, motored to Reno on Friday.

Mr. and Mrs. Chas. Heller were hosts for several days to Mrs. J. K. Brown, Mrs. Emory Cameron, Miss Beatrice Brown, Miss Josephine Brown and Kenneth Brown, all of Stockton.

Wednesday night's card party was a success with 63 players. These weekly parties are arranged for Wednesday evenings during the entire summer.

The fortunate players this week were Mrs. Doye of Glendale winning ladies first, Miss Alice Work of Capitola winning second and third for ladies went to Miss Bess Gray of San Francisco.

Mr. Ekedahl of San Francisco won men's first prize, Dr. J. W. Trembath of San Francisco second and C. W. McDonald of San Francisco won third. Mr. and Mrs. Norman Morgan supervise the parties.

Thursday night's special dance drew a large crowd. The special entertainment arranged for by the dance band was of high quality. The first number on the program was a clever buck and wing dance by Gibson Benadum of Los Angeles who is a teacher of Ballet and Ballroom dancing. He also favored with an encore. Next on the program was an Arabian dance by Miss Esther Lee of Los Angeles. Miss Lee wore a beautiful costume and her dance was well rendered.

Art Nolan, guest at Meeks Bay, favored with vocal selections. After

Tahoe - Truckee Region Contractors Assn.

Pledging support of President Roosevelt's recovery program, contractors of this area last night organized to assist national and state agencies in formulation of codes for building crafts.

The organization, acting on sentiment resulting from an address by Glen V. Slater, Assistant State Registrar of Contractors, elected officers and directors, adopted recovery program work as a major objective and signed up thirty five members.

Officers elected were Henry Droste, President, Charles Winslow, Vice President, Joe Duffee, Secretary. The executive committee is N. A. Mayfield, Charles Pick, J. R. Wolert, James E. Burnett, Fred Kotan, Fred Brenzel and J. B. Maxson. The committee represents all sections from Truckee to Echo Lake and also each major building trade active in this area.

The Association, following the lead of Slater who said: "It is now a case of helping or being pulled along the current," promises all contractors of this district to represent and assist every trade connected with building as far as possible, in caring for local problems under the fair competition codes now being drafted.

The meeting, opening a state-wide series under the direction of Col. Carlos W. Huntington, Registrar of Contractors and State Directors of Professional and Vocational Standards, was very successful, in the eyes of Droste, President, who says: "With the assistance of the State License Bureau and the enthusiasm shown last night, contractors of this section have a very good chance to secure recognition of their local problems. We welcome membership applications from the few contractors who were unable to attend."

Slater, discussing legislation, stated that while exact means of action must wait adjournment of the state legislature, the Registrar at Sacramento will make every effort to assist local groups in forming programs under N. I. R. A.

The following resolution was adopted:

That the Tahoe-Truckee Region Contractors Assn. endorse the "National Industrial Recovery Act" in principle and pledges its wholehearted and active support to the National Recovery program for improved labor conditions to wipe out unfair practices and to stabilize and improve Contractors operations in this district.

the entertainment drawings took place for door prizes.

A party of twelve enjoyed a picnic on Friday leaving Meeks Bay at 9:30 A. M. on the pleasure boat "Nomad," piloted by Jack Hale. The party arrived at Skunk Harbor on the Nevada side of the Lake at 10:30. The party viewed the picturesque home of Mrs. George Newhall and enjoyed a picnic lunch on the estate, returning to Meeks Bay at 5 P. M.

Those enjoying the trip were: Mrs. A. C. Miller of San Francisco, Mrs. E. W. Morris of Mill Valley, Mrs. Minnie Price of Las Vegas, Nev., H. Hansen of Rubicon Lodge, Mr. and Mrs. George Hardacre of San Francisco, Mr. and Mrs. Chas. E. Moffat of Stockton, Mr. and Mrs. W. C. Dickerson of San Jose, Mr. Harry Grayson and Mrs. Chas. R. Heller of Meeks Bay.

Some excitement prevailed over Meeks Bay Monday evening when little "Buddy" (Floyd) Roberts failed to return to his home from a horseback trip.

Buddy is the small some of Mr. and Mrs. Chester Roberts who own the horse concession here. He is no bigger than a bar of soap after a hard days washing. Early Monday evening Buddy decided to get on a horse and start for Fourth Lake, where some friends had spent the day and return with them. He thought he would meet them on the trail coming home, but instead they had taken a different route and came back to camp without Buddy. It was then that some concern was felt for Buddy's safety as he had been gone several hours and darkness had overtaken him, so searching parties were organized and headed for Fourth Lake. The searchers, namely "Doc" Morgan, Jack Hale and Larry O-Jalla found Buddy on his horse in the blackness of night headed for home in the vicinity of Second Lake. The little mite of a boy, when asked if he was frightened said, "I g-g-g-guess n-not, I chewed four sticks of gum."

NORDEN NEWS

By C. W. KRAMER

After being under medical attention at the Southern Pacific General hospital at San Francisco for the past ten months James Bradley of B&B 103 returned to resume his usual vocation and reports himself feeling greatly improved.

Norden was amply represented at the Frontier Day and Governors' Day celebration last Saturday and Sunday in Truckee when a score of local residents joined their sister city and assisted in making the affair a booming success of which all reports are to the effect that the celebration proved successful in every way.

Mrs. Charles W. Cory, accompanied by her niece Miss Lillian Smith of Sacramento, motored to Reno last week on business.

Miss Fern Beard of Sacramento spent the week end at the home of her mother, Mrs. Charles E. Church of Norden.

Mr. and Mrs. William N. Smith of Elk Grove, where Mr. Smith is connected with the Bank of America, have returned to their home after spending their vacation at the J. C. Lyon home on Norden Terrace.

John R. Sergeant Thorburn of B&B 103 Tunnel Six has returned to his post after a three weeks visit with friends and relatives at Oakland, San Francisco and Sacramento.

Halford L. Hall and Joseph Casari of Norden comprised a fishing party that took them on a two days outing to "Casey's Lake," about five miles back of Soda Springs to the north of Castle Peak.

Clarence N. Libby and wife motored to Sacramento over the week end. They were accompanied on the trip by Miss Gladys Stark of Sacramento who had been their house guest for the past two weeks.

Two of the most popular and prominent young women of Norden experienced one of the most unusual and odd affairs that they will probably ever have overtake them in their life when they accepted the kind invitation of Joseph Northey and Frank Lathrop, two of Norden's gay protheros, to accompany them by automobile to attend an open air dance on the shores of Donner Lake. The young women thoroughly enjoyed themselves up to this point as they were kept busy at every dance until the closing "Home Sweet Home" waltz when the young men escorted the young women safely to their usual places of abode. There is nothing wrong in the foregoing that the casual observer can note but the young women explained the whole situation thusly: First of all the dance at Donner Lake happened to be on "Free Night." They danced early and late and nary a copper cent was spent on refreshments nor a soda pop indulged in and the young women are wondering if the young men had devised some manner to corral the escaping gas fumes from the motor car's exhaust pipe for some future use as they were compelled to make a fire and have some "cats" after the young men had returned to their respective homes. The young women termed the night a "Scotch Treat" with none on their calendar for future observance by saying "Never Again."

July 18th probably did not mean much in the lives of some of us but to the wife of Norden's Grocery store owner, Mrs. John C. Lyon, it contained the memories of thirty five years of companionship with John C. Lyon, when they struggled together to raise their family and make whatever headway in life they could, but on this day Mr. Lyon was in Sacramento on business and he was so deeply engrossed in his

affairs that his wife was unable to jog his memory as to what this day meant in his young life thirty-five years ago when he strolled down the aisle to the tune of Lohengrin's March and owing to the husband being in Sacramento it only meant another day.

Mr. and Mrs. John Kinsey of Truckee spent last Sunday at the H. G. Boomer home at Old Summit.

Mrs. Charles P. Stephens of Norden visited with relatives and friends in Sacramento, Elk Grove and Crystal Springs last week.

Miss Harriet Christensen and Miss Alice Eager of Oakland are the house guests of the Lionel Snelling home at Norden.

John Snelling has proven his ability as a fisherman this week when he made a large catch of catfish from the azure waters of Lake Van Norden.

Mrs. Frank Levin, accompanied by her daughters Rosa and Frances of San Francisco, are the house guests at the Vincent Antonich home on Lake Street.

Mr. Ralph Bertolozzi of Sacramento is visiting his cousin Abramio Bertolozzi of Norden.

Wayne B. Sellick, accompanied by his wife of Sacramento on a fishing trip to French Meadows had his good and bad points this week when they emerged after a successful basket of trout from the canyon and within two miles south of Colfax while returning to the home of their parents, Mr. and Mrs. William J. Sellick Sr. of Norden, experienced the hardship of having the rear axle of their car crystallize and it being necessary to have the car towed to a garage at Colfax while they proceeded on to Norden by train.

The Charles W. Cory home on Woolworth Drive was filled to overflowing with friends who dropped in on them from the valley.

An evening was spent to good advantage when Harold G. Boomer, Halford L. Hackley, Eric Gram, Lionel Snelling and C. W. Kramer spent last Thursday at Truckee.

Pete Skulich of Norden eating car and all around handy man spent several days in the valley on business.

Mr. and Mrs. Frank Kenealy of Sacramento, where Mr. Kenealy is connected with the office staff of the Southern Pacific Company, are the house guests of Mrs. Kenealy's mother, Mrs. Charles E. Church on Woolworth Drive.

William J. Sellick Jr. of Norden made a hurried business trip to Sacramento, returning the following day.

Mr. and Mrs. August Rutishauser of Elk Grove, where Mr. Rutishauser is vice president of the Branch Bank of America institution, are spending a few days at the house guests of the J. C. Lyon home on Norden Terrace.

Bill Oltman, accompanied by Mrs. Charles W. Cory and Miss Lillian Smith, enjoyed a very fine motoring trip when they made the circle drive around Lake Tahoe and while at Brockway the entire party made merry by donning bathing suits. Later in the evening they returned to Norden by way of Truckee.

Mr. and Mrs. John C. Lyon and son Kenneth of Norden, accompanied by Mr. and Mrs. A. Rutishauser of Elk Grove, motored to Reno for a theatre party and dinner given by Mr. Lyon to his wife in honor.

(Continued on Page Four)

HOBART MILLS

By MRS. R. McDONALD

Miss Bernice Thomas returned to her home in San Mateo Monday after several weeks visit with Miss Ruth McLeod.

Mrs. J. Titus, accompanied by her daughter Miss Julia and Miss Catherine Murphy, all of Sacramento, spent the week end at the E. Martin home here.

Mrs. W. R. Tucker of Reno was the guest of Mrs. Ray McDonald in Hobart Wednesday.

Ray Sausbury, formerly of Hobart, but now in the real estate business in Oakland, spent several days last week here. He was accompanied by his small son.

Mrs. E. Phipps is recovering at her home here from a slight operation.

Herb Dodson left Monday for the coast where he will seek medical attention. He has been ill for some time.

Miss Melba Lheurs of Reno is spending some time in Hobart with her sister, Mrs. Chas. McKeen. Mrs. McKeen expects soon to move to Truckee where Mr. McKeen has taken a position with the traffic force.

Miss Lillian Swift of Palo Alto left Wednesday for the southern part of the state where she will visit with friends. She has enjoyed

a visit with Mr. and Mrs. G. D. Oliver.

The Hobart Estate Co. Logging Camp shut down last Tuesday for the rest of the week due to too many logs as the pond was full. Operations commenced again Monday and it is expected that it will not be necessary to close down again.

Mrs. Kenneth Plummer and daughter Miss Eleanor were Hobart visitors Friday, returning to their home in Sacramento the next day.

Mr. and Mrs. J. Roberts and two sons of Minden spent the week end at the L. Soucheau home here.

Dan Baldwin of Spanish Ranch is visiting in Hobart with his cousin Owen Landreth.

Mrs. A. Claybourne, who has been ill at the Hobart Hospital for some time, has gone to the coast where it is hoped that a change of altitude will be of benefit to her health.

The celebration held in Truckee over the week end was well attended by the Hobart people and was well commented upon. Everyone thought that it was the best parade that has ever been held in Truckee and was particularly well conducted, so hats off to the committee.

Mrs. Carl Weeks is spending a short vacation in San Francisco with her sister Miss Martha Clark.

5,000 ATTEND NATIONAL GOVERNORS' DAY CELEBRATION

(Continued from Page One)

As the party arrived at the corner of Commercial Row and West Main Street, the fire siren blew an official welcome and the group was immediately escorted to the reviewing stand where a color guard—consisting of C. C. C. boys—with flags of every state in the Union gave the Party a salute, while the drum corps of the American Legion rendered music.

Judge Raglan Tuttle, of the Nevada County Superior Court, gave a short address of welcome on behalf of the citizens of Truckee and Nevada County. At the conclusion the Frontier Day parade swung down Commercial Row in front of the reviewing stand.

The parade was made up as follows:

COLOR GUARD

Flags of every state in the Union carried by C. C. C. boys.
Reno Drum Corps.

Marshall of the Parade—Clarence Fuller.

Frontier Queen—Miss Mary Ramona Veck—on horseback.

Queen's escorts on horseback—Miss Ghirard and Miss Edmunds.

Indian Band.

Mounted Indians.

Indians on foot.

Captain Fremont's Party (C. C. C. boys).

Covered Wagon, with escorts on horseback, Miss Rossarini and Miss Costa.

49'er—Bert Fuller—with burro—and mining outfit.

Alpineer on muleback (Pinch).

Covered Wagon.

Pony Express Rider—Art Leavell.

Stage Coach—driven by "Moke" Kielhoffer.

Cavalcade of riders on horseback.

Old Time Carriage, driven by Judge Ocker, wearing old time costume; occupants of carriage were Joe Maloney and two ladies from Downieville. All wore Frontier days costumes.

Mrs. and Miss Harvey—as 49'ers—walking.

Wagonload of Quartz Mill Hill Billies.

Wagonload — Wyethia Choral — wearing Frontier Days costumes and singing "Oh Suzanna"—old time Frontier day song.

Accompanied on banjo by Lila Parr.

Morgans Clowns (party of six).

Juvenile section.

Goat wagon drawn by 4 goats and driven by "Mac" of Sparks.

20 children all dressed up in playsuits—Indians, cowboys, soldiers, etc.

Covered wagon drawn by dogs.

Grass Valley High School Band.

Truckee Volunteer Fire Department Truck.

Old two wheel fire hose cart.
Forest Service Truck with C. C. C. boys.

Three A Garage truck.

Truckee Legion drum corps.

Old fashion Italian basket (Haying Party) Steve Besio.

QUEEN PRESENTED

The parade doubled back from West Main Street and as the Frontier Queen came to the reviewing stand, she was presented to Governor Rolph again, who—in turn—presented her to the visiting Governors.

WILD WEST CELEBRATION

After the parade, the celebration was continued on the plaza between the Southern Pacific station and River Street.

An opening feature was an impressive Indian ceremony dance by the band of Piute Indians from Pyramid. The visitors showed much enjoyment of this feature.

PONY EXPRESS

On the plaza had been erected a Wells Fargo Pony Express Station built of logs.

Here Pony Express riders—Jerry Cavitt and "Chuck" portrayed riders of the old days.

STAGE ROBBERY

Next came the stage coach robbery. The coach was driven by "Moke" Kielhoffer, and he had Governor Green of Rhode Island, Mrs. Bryant, Miss Carrau, Miss Kendrick, Miss Riggs and Mrs. Wergeland as passengers. The holdup was done by three Pony Express riders, Jerry Cavitt, "Chuck" and "Cowboy Bill." The visitors apparently got quite a "kick" out of the robbery.

GOVERNOR ROSS ENTERTAINS

Governor Ross of Idaho demanded a horse and lariat and proceeded to show the other governors how to spin the rope and lasso, much to the delight of the visitors.

ON TO DONNER MEMORIAL

At 12:30 P. M. the Governors' Party left Truckee in their motor caravan and proceeded to the Donner Memorial, three miles west of Truckee on the Victory Highway.

Immediately upon their arrival there photographs were taken of the Governors grouped around the monument. Governor Rolph gave a short address, briefly explaining the tragedy of the Donner Party. His speech was recorded by the Pathe News Service. Governor Rolph then introduced Hilliard Welch, a past president of the Native Sons of the Golden West who gave a concise inspiring history of the Donner Party's trip across the plains and the unfortunate circumstances which led up to their tragic disaster in the winter of 1847 at that spot, placing emphasis and bringing out the fact that their plight was largely due to lack of confidence in their leaders and lack of close co-operation, and

LOW SCORES AT TAVERN LINKS

TAHOE CITY—(Special) — Low scores were shot Friday on the splendid links of the Tahoe Tavern when Joe Perrelli, professional, played three of the leading collegiate golf stars of the Pacific coast in an exhibition match. Perrelli, with 33-33, had a 66, two under par. Harry Hillman, University of Stanford star golfer and Los Angeles player, had a 32-34 for a 66 and Jack Bean of the University of California also had rounds of 33-33 for a 66. George Fleishman, the fourth member of the foursome, University of California golfer, had a 74. Birdies and Eagles were plentiful and spectacular golf was enjoyed by all.

On Hole No. 8, 230 yards, both Bean and Hillman had eagle twos on this par three hole. Perrelli started the match with three threes, two birdies and a par, and Fleishman on No. 5, 315 yards, scored to birdie threes. Hillman also had a most spectacular 3 on No. 7 which is 485 yards long. The Tavern course is now in midseason form playing to record crowds and many residents of Truckee enjoy these fine links.

PATRONIZE OUR ADVERTISERS

applying that principle to the present day condition existing throughout the nation, and urging that the governors at their conference be guided by foresight and reason and be benefitted by the tragic lesson of the Donner Party.

Following Mr. Welch's speech, a box lunch was served on tables in the grove of trees. The Grass Valley High School Band furnished music during the program, and Will Rogers entertained the party with rapid fire wise cracks.

The party left at 1:30 P. M. for Sacramento over the Summit.

TRAINS IN LAKE TAHOE FOR MAJOR SWIMS

Byron Summers, long distance swimmer from the San Francisco Bay area, is now training at Tahoe Vista by swimming five miles a day in the waters of Lake Tahoe in preparation for August swimming races at both the Chicago World's Fair and the Canadian National Exposition at Toronto, Canada, on August 31.

Summers, according to his manager, Charles Kilhoffer and trainer Ray Kilhoffer, will continue to put California on the swimming map in the professional aquatic brigade this year. Kilhoffer points with pride to Summers' record of 13 hours and 35 minutes for the 22 miles swim across the Catalina channel, to the fact that his charge has twice won the 16 mile swim around Alameda Island in San Francisco Bay and a purse of \$1500, and that Summers also holds the record for the swim around Manhattan Island, New York, 14 miles, in 8 hours and 56 minutes.

Besides swimming, Summers is the proprietor of "The Moulin Rouge" at Tahoe Vista.

MAY REOPEN FAMED MINE

KEYSTONE, Mont., July 27—(UP)—After 50 years of idleness and restricted operation, the Little Pittsburgh, once a famed silver producer, is being made ready for development.

Back in the '80's, when silver brought \$1 an ounce, the Little Pittsburgh was one of the richest mines in Montana. For years it was idle following the slump in silver prices occasioned by repeal of the Sherman silver purchase law.

The Bureau of Standards has manufactured water both lighter and heavier than natural water.

CHICKENS RESPOND TO CALL IN POLISH

GLASGOW, Mont., July 27—(UP)—A brood of 19 chickens that speak nothing but Polish are well-known to Sheriff Al Fasset now.

Fasset was called to aid the owner of the chickens when they turned up missing one day. The brood was located in the flock of a neighbor.

The neighbor denied stealing the chickens. "If they are yours, call them to you," suggested the sheriff.

Instead of a familiar "chick chick," usually made to attract such fowls, the sheriff listened to a series of foreign noises. To his amazement the 19 missing chickens came running in a group to their owner.

NAMPA, Ida., July 27—(UP)—A young woman tore off her clothing when she became enraged at an automobile she tried to "wave down" on the North Nampa highway recently, failed to stop, Clarence Graybill reported to police.

WASHINGTON, July 27—Frank F. Cooper, a taxicab driver, was held up at pistol point late last night at a stand and robbed of 80 cents and a watch by three men.

Thinking in a group to their owner.

"I'm Polish," explained the owner, "and I've always spoken to the chickens in that language, so that's all they know."

Thoughts of prosecution were dismissed.

NEW TRAIN FARES FOR

2¢ A MILE

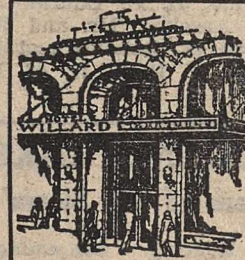

ONE WAY & ROUNDTRIP IN EFFECT EVERY DAY

We want to know if a drastic reduction in fares will bring back substantial business to the railroad. So we are trying this experiment: One Way Tourist Fares and First Class Roundtrip Fares for 2¢ a mile—to nearly all our stations west of El Paso. Tourist Fares are good in Coaches and Chair Cars (also in Pullman Tourist Sleeping Cars, plus small berth charge). First Class Fares are good in Standard Pullmans as well (plus berth). All roundtrips are good for 21 days.

To	ONE WAY Tourist	ROUNDTRIP First Class

Governor Rolph Well Pleased With Reception

(Continued from Page One)

P. station, and there were received by Chairman Charles B. White and the Executive Committee consisting of A. P. Leitch, C. Edmunds and James Melver Jr., also chairman of the Reception Committee. Rev. P. J. Moran and Tim O'Hanrahan, Governor Rolph was then presented to the Truckee Frontier Queen—Miss Mary R. Veck—beautifully gowned in a costume of white satin—made up in the early pioneer style, and a white satin bonnet trimmed with white plumes. Miss Veck presented a most striking appearance and won a loud applause. Miss Irene Ghirard who won second place in the queen contest—gowned in an old rose sat in gown of early pioneer days, and Miss Lovey Edmunds, also gowned in a similar costume of old rose acted as Miss Veck's ladies-in-waiting, and were received with her.

After a number of pictures were taken of Miss Veck and Governor Rolph and Governor Green, the Frontier Ball started with a grand march headed by Miss Veck and Governor Rolph. Banked in the background on the receiving stand were a band of Piute Indians from Lake Pyramid Reservation in most colorful regalia and they made a most thrilling and impressive picture under the soft lights of the colored electric globes strung above the stand. An Indian band furnished music for the dance.

At 10:15 P. M. Governor Rolph and his party returned to the Sierra Tavern and said adieu to members of the Executive Committee and motored to the Cal-Neva state line for the reception of the other vis-

iting governors.

Thru the splendid co-operation on the part of the Forestry department and the state highway department a path had been made down the steep incline from the Victory Highway to the Southern Pacific railroad tracks, and at frequent intervals, large forestry lanterns had been hung to light up the path. Directly on the line, a large set-piece of fire work with the word—"WELCOME" had been erected and when the Overland Limited train was stopped on the line, this piece was set off and presented a thrill for the visitors. During the interval while waiting for the arrival of the Limited bringing the visitors, Governor Rolph, Governor Green and Will Rogers were kept busy posing for night flashlight pictures taken by a score of camera men from San Francisco.

As the train came to a stop on the line, a night salute of 38 aerial bombs were hurled thru the air, and red light flares lit up the heavens. The demonstration lasted for twenty minutes and then the train proceeded on to Truckee, where the special car containing the visiting governors was detached and taken to Lake Tahoe early Sunday morning.

There were about three hundred persons at the celebration on the Cal-Neva line and the traffic officers under the direction of Chief Cato had their hands full to keep the motor cars in line and parked on the side of the highway. The whole demonstration passed off without a single mishap and all concerned who planned the affair are to be most highly commended.

Episcopal Church News

Bishop A. W. Noel Porter, P. H. D., of Sacramento, has arrived at Tahoe City and taken up his residence at the clergy house. He preached his initial sermon on Sunday, July 23, the subject of which was "The Call of the Deep." His subject for July 30th is "The Sunlit Summits."

In residence with the Bishop are Mrs. Porter and their four children, Noel and Cedric now attending university and Grenville and Beverly. House guests of the Bishop and Mrs. Porter are Mrs. Boyd and Miss Clotilde Vincent of San Francisco. The Bishop will remain in residence until and including Sunday, August 13.

Bishop Porter, who is the new Bishop of the Sacramento diocese, points out that his charge in area covers one third of the State of California, 26 counties, with over 50,000 square miles. The Bishop was recently consecrated at Grace Cathedral in San Francisco on Tuesday, May 23.

FINE FISHING IN GLEN ALPINE REGION

Special to The Truckee Republican With the trout calling and the weather superb, the Glen Alpine country is the fisherman's happy hunting ground nowadays. Fishing in the lakes remains good and in the streams it continues to improve.

The best angling waters in our section of the high Sierra during the last week included the following: Gilmore Lake, Half Moon Lake, Susie Lake, Heather Lake, Grass Lake and Glen Alpine Stream. No definite reports were received on the remainder of the thirty lakes and streams within six miles from Glen Alpine. The most effective flies included the blue bottle, the brown hackle and the bucktail, all in the small sizes. Worms, spinners and salmon eggs were among the bait used.

The annual re-stocking of the Glen Alpine lakes will take place during the next week. A million rainbow, lockleven and Eastern brook trout will be planted.

MANY NEWSPAPER MEN IN TOWN FOR FRONTIER DAY CELEBRATION

There were eighteen newspaper men and women in town for the National Governors' Day Celebration.

Leo Raridan, special writer for the San Francisco Chronicle and Louis Ashlock of the San Francisco office of the Associated Press made their headquarters in the Truckee Republican Office.

Lieut. H. M. Witbeck, district public relation officers for the Sacramento Region district of the G. C. C. also made his headquarters in the Republican office and sent out flashes to the press.

An army of news camera men were on hand at the reception for Governor Rolph on Saturday evening, also at the state line when the OVERLAND LIMITED arrived at 11:15 P. M. The Sacramento Bee had two camera men and International News had two men.

SEAPLANE ATTRACTS ATTENTION AT LAKE

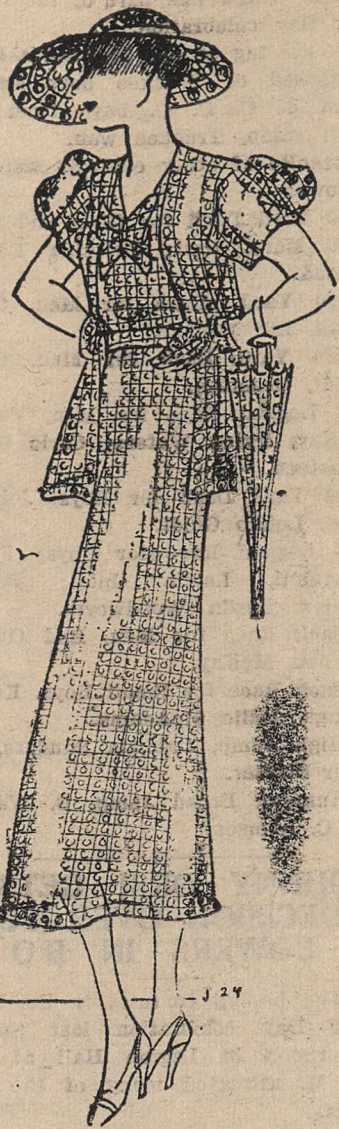

Special to The Truckee Republican TAHOE CITY, July 27—History was written in the books of Tahoe City and the Tahoe Tavern on Saturday, July 22, when President Varney of the Varney Air Lines, San Francisco, accompanied by a group of newspaper men, landed a seaplane on Lake Tahoe. The plane was of the amphibian type. The trip was made from San Francisco in an hour and a half with a stop at Sacramento.

This initial voyage opens up a great possibility for the Lake region as many owners of private planes will be able to fly up to the Lake and spend the week end with their families from such points as San Francisco, Los Angeles and other localities where flying is popular. Residents of Tahoe City turned out in large numbers to greet the plane and watch it maneuver over the Lake. It was one of the events of the summer season. The trip to Tahoe was reported by both President Varney and the press representatives as a most pleasant one.

A RICH HARVEST

Friend—Doctor, did you celebrate the Fourth of July?
Doctor—No, I celebrated the Fifth.

Costume Ensemble

Copyright, 1933, by Fairchild.

An all-over check-and-dot design is worked out in eyelet embroidery in the pink batiste skirt costume. The large hat and parasol of matching fabric add a new expression of the costume ensemble.

A new seam of coal, two miles in area and estimated to contain 20,000,000 tons, has been accidentally discovered by geologists digging for fossils in England. Being a member of the government geological survey, the discoverer will not receive a penny for the find.

ATTENDANCE IS LARGE

DUBLIN—The Athletic Revival Carnival had an average nightly attendance of 5000 for more than two weeks recently.

More Truckee Honors

Truckee this month comes into its own for National honors with the visit of the Governors. Added to this auspicious occasion all readers of the August Cosmopolitan can learn something of the Truckee district as the fame of Truckee is spread over the nation by an article "Across America in a Motor Bus" written by Mary Day Winn. Miss Winn writes in part as follows: "Mountain passes were safe enough, and many, particularly the crossing of the Sierras between Truckee and Sacramento, were beautiful beyond human deserts. In clear air under sapphire skies, the stage spiraled its way higher and higher. Tall trees marched beside it, and still, green lakes—Donner and Tahoe—gleamed at its feet."

With Truckee a prominent stop

WORKMAN FINDS HIS OLD WAR HAT IN JUNK

LONDON—In a truck of scrap iron sent to the steel works at Swansea, Wales, a workman found the tin hat he had worn in France, his name and regimental number still inside it.

GLASGO, Scotland—Mrs. Gracie Caird, 192, who has just celebrated her birthday, is known in Stonehaven, Scotland, as the "grand old lady."

on the Greyhound lines, the article also carries a human interest story of C. E. Wickman, now chairman of the board of directors of the Greyhound. Residents of the Truckee district will enjoy reading this article that is both educational and descriptive and is a boost for the Northern California region.

Get more orders by Telephone!

INTER-CITY TELEPHONING is the effective, economical way of handling a large part of your out-of-town business.

Salesmen use it for making appointments, and supplementing visits in person. Sales managers use it to maintain close, quick control of their field forces; to adjust misunderstandings; to quote prices.

Nothing does so much for so little as your telephone.

IN ANSWER TO A LADY'S LETTER

A lady writes to say that she does not understand why an 8-cylinder car does not cost more to run than a car with fewer cylinders. She refers to my statement that our Ford V-8 develops more power on a gallon of gas than any car we have made.

The use of 8-cylinders does not mean the addition of two or four extra fuel consumers. It is not, for example, a 4-cylinder engine multiplied by two. Our 8-cylinder engine takes the fuel supply of an ordinary 4-cylinder engine and divides it eight ways. And why?

By reducing four larger explosions into eight smaller ones, we get engine smoothness and quietness. Eight-cylinders indicate the way the gas is used, not the amount. It is just the difference between going upstairs in four long jumps or in eight ordinary steps.

Two things use up gas—bad engine design and useless car weight. Besides having an engine that gets a high percentage of power out of the fuel, the Ford V-8 has a light, strong body and chassis so that no power is wasted in moving excess weight.

The only extravagance about the new Ford V-8 engine is in the building of it. The extravagance is ours—the economy is yours.

The whole question of car economy needs clearing up. An economical car gives economy all round. Price, operation, upkeep, all play their part. If what you save on gas you lose elsewhere, that is not economy.

As to upkeep, our dealers say that in recent years the improved quality of Ford cars has cut down their repair business 50 per cent.

As to price with quality,—judge for yourself.

As to economy, here is the record of a stock car three weeks out of shop in Oklahoma:

On a run of 10,054 miles at the rate of 1,000 miles a day—the Ford V-8 gave 18.8 miles per gallon of gas. Not a drop of water was added to the radiator. The oil was changed once in 1,000 miles.

That should answer a lot of questions.

NORDEN NEWS

(Continued From Page Three)

of their thirty-fifth wedding anniversary. Although somewhat behind schedule, as the date of July 18th was the day, Mrs. Lyon advised that a little late is better than never so that makes amends and now for one year hence.

The home of Charles Vanderford at The Firs near Norden are having as their house guests the Ryan family of Sacramento for several days outing.

Mrs. Beales of Norden, who has been visiting friends and relatives for two weeks in the Sacramento valley, has returned to her home here.

Wayne B. Sellick and family, after attending to routine business in Sacramento, plan to spend the remaining week of his vacation at Lake Almanor near Chester, Plumas County. Wayne has not been meeting with the success he anticipated in landing the wily trout so that he might show his colleagues of the Sacramento Bee, where he is editor of the Superior California Section and will endeavor to sustain his record while in that section. He is an ardent fisherman and well versed in the art of enticing the trout from their hiding nooks of streams and lakes.

Norden anticipates learning the news in the very near future of the wedding that will involve the very popular cook of Norden's eating car, Ong Fay, who left yesterday on the afternoon train for San Francisco where he plans to meet his bride-to-be who is en route from China to San Francisco for the occasion.

Yuen Quee of B&B 109 who is a recent arrival at Norden from the valley, was feted by Jim Leung and Louie Foo of Tunnel Six.

A delightful Saturday afternoon was enjoyed last week when several of the younger set of Norden traveled to "Maldens Retreat," a secluded lake among the pines where bathing was indulged in. Later in the day a weiner roast took the highlights of the afternoon. Those present included Miss Alice Eager, Miss Harriet Christensen, both of Oakland, Miss Lillian Smith of Reno, Alice and Bill Sellick, Bill Oltman and John Snelling, all of Norden.

Mr. and Mrs. H. E. Sheffield of Susanville motored to Reno recently where Wayne E. Libbee of Norden joined them on a tour of the state of Nevada. Mrs. Sheffield is a sister of Mr. Libbee. Accompanying them on the trip was Libbee's niece, Myrtle. They returned to their respective homes late Sunday evening.

Nick Garcia of Sacramento has arrived at Norden to assume the position as Assistant Foreman of B&B 109 at Tunnel Six.

Mrs. Joe Walters, wife of Crane Engineer from Sacramento, arrived by motor today to spend a few days. They recently purchased a new Austin and enjoy its comfortable riding qualities.

While Ong Fay of the Norden Eating car is away on a matrimonial adventure he is being relieved at his post by On Hong while Ing Goo of Sacramento arrived to relieve On Hong until the newlyweds return to make their home at Norden.

William Backarich, accompanied by his mother of Tahoe, stopped in at Norden where her son George resides, and after a short visit they all motored to Cisco to visit her son Pete Backarich for the evening.

George Backarich of Norden spent last week end with his parents at Tahoe.

Raymond Peterson and Claude Britton of B&B 108 Tunnel Six motored to Sacramento last week end to visit their respective families.

William Seitz, accompanied by his family, motored to Truckee Saturday evening for the festivities and on Sunday motored to Reno to spend the day.

To Chicago or bust is the motto displayed by Joseph Casari and Joseph Northey of B&B 108 Tunnel Six when they leave on train No. 10 Thursday morning to view the Century of Progress Exposition now in full swing at Chicago. They plan to be gone a month during which time Northey will continue on to New York City and they will return from Chicago together. A rousing farewell will be tendered the boys Wednesday evening prior to their departure when a six piece brass band composed of members of the outfit in full regalia will serenade the train when it pulls away from the station. An old fashioned beer and limburger feed will be spread in the dining car at the party and a tasty lunch provided by

TRUCKEE TEAM WINS TUG OF WAR BATTLE

Much interest was shown over the Track Meet held last Saturday afternoon which was part of the Frontier Day celebration.

In the tug of war between a team composed of Truckee boys and a team of C. C. C. boys from the local camp, Truckee won.

Results of other contests were as follows:

50 Yard Dash for Girls under 12
Eva Moro, first; Priscilla Finley second.

100 Yard Dash for Men, Carlo Guidi, Bill Walker.

220 Yard Dash for Men, Carlo Guidi, Chasteen.

3 Legged Race for Men, Vernon McKay, Irving Waters; Carlo Guidi, Chasteen.

50 Yard Dash for Boys, Johnnie Orsi, Leidio Guidi.

3 Legged Race for Boys, Frank Giovanni, Leidio Guidi; Bobbie Braigs, Erwin Woodworth.

Sack Race for Men, Bud Owens, Vernon McKay.

Sack Race for Small Boys, Robert Bangs, Billie McAdams.

High Jump, Baldwin Sanders, Arthur Stotzer.

Running Broad Jump, B. Walker, B. C. Lamson.

JOHNNY ORSI GETS DECISION OVER BOB BOWERS IN BOUT

The boxing contests in the Frontier Day celebration last Sunday afternoon in Legion Hall at 5:00 P. M. attracted many of the visitors.

Results were as follows:

1. Buddy Harrigan
Billy McAdams—Draw.
2. Roy Waters
Ea Waters—Draw
3. Lidio Guidio—Won
Orlan Wtters
4. Geno Guidi—Won
Wendell Brandt
5. Bob Bowers
Johnny Orsi—Wpn
6. Bill Bews—Won
Robt. Boggs
7. Nick Sassarini
Billy Waters—Wpn
8. Stotzer
Dearwester—Draw
9. Joe Beaumont
Ralph White—Draw

The popular chef of B&B 108, Jim Leung, who will see that they will be amply provided for during their absence and as Northey will have his first glance at the big town a special badge is being presented to him reading, "If lost return to Norden, California."

Art Wortell and family motored to Truckee Saturday and Sunday to be in attendance at the Frontier Day Ball and celebration.

Harvey L. Bush of Sacramento was a week end visitor with his family at Norden.

The popular timekeeper of Extra Gang No. 2 at Tunnel Six, Floyd Briggs, spent last Sunday with his family at Sacramento.

Andrew Pfeiffer of B&B 108 motored to Sacramento Saturday evening and returned Sunday early in the afternoon.

T. E. Honey Eversult of B&B 108 is becoming more interested in homes and their construction lately. Might be some news appearing in these columns in the very near future he avers and we trust the popular Sacramento Miss will like our city.

ART LEAVELL WINS FRONTIER DAY HALF MILE HORSE RACE

The Sunday afternoon program of the Frontier Day celebration was held on River Street and witnessed by a big crowd.

Loring Leavell, brother of Art Leavell, was thrown from his horse in the relay race, and this caused quite a bit of gloom over the program, but the contestants went thru with the rest of the entertainment.

The results were as follows:

One-half Mile Horse Race for Men—Art Lovell, Wilson (Joeger Horse).

Relay Race—Castle, Bud Jones.

Stake Race—Jerry Cavitt, Castle.

Musical Chairs—Bud Jones, Castle.

Bundle Race—Fred Smith, Walker and Castle.

Cowgirl Race—Frances Howard Marcella Walker.

FRONTIER DAY QUEEN RECEIVES PLENTY HOMAGE

Truckee's Frontier Queen, Miss Mary Ramona Veck of Downieville received distinguished honors and no end of homage during the celebration.

Her photograph was on the front page of the Sacramento Bee, and the Sunday issue of the San Francisco Chronicle also featured her picture.

Her picture taken on Saturday evening at the Frontier Day Ball with Governor Rolph and Governor Green of Rhode Island has received wide publicity, and Governor Rolph took several of the pictures back with him to Sacramento.

Truckee was most proud to have Miss Veck for Frontier Day Queen, and her delightful and charming personality quickly won the hearts of all who met her.

Miss Veck played a most important part in making the celebration the big success which it was, and the Executive Committee is most appreciative of the generous contribution which she made with her spirit of enthusiasm and charm.

RECENT ARRIVALS AT INDEPENDENCE LAKE

Independence Lake Resort, under the management of H. E. Maggard reports many vacationists are taking advantage of facilities offered at the resort. Among the recent guests are Mrs. T. C. Learned and Donald Learned of Ross, Calif.; Miss E. Kennedy, Los Angeles, Cal.; C. Herd man, Portola; Mr. and Mrs. Sam Finch, Reno, Nev.; Mr. and Mrs. E. H. Husher, San Gabriel, Calif.; Mr. and Mrs. Wm. H. Anderson Denver, Colo.; Miss Margaret Aldrich, Mr. and Mrs. S. L. Rogers, Oakland, Calif.; Mr. and Mrs. J. R. Franch and Miss Perne Franch of Quincy; George E. Clark, Gilroy; James C. Hocking, Grass Valley; C. Davis, Chas. Hopkins, San Francisco; Hess Hooper, Oakland, Mr. and Mrs. J. V. Lewis, Reno; Roy Salisbury and family, Oakland; Dr. George E. Chapman and family, San Francisco; Josephine Seavey, Margaret Stevenson, Mr. and Mrs. David S. Wilson, Mr. and Mrs. J. C. Doorschadt, San Francisco; Mr. and Mrs. D. Reynolds, Culver City; Capt. Reichmuit and family, Palo Alto.

OLD TIMER VISITS FRIENDS IN TOWN

Thomas Cullen, old time resident of Truckee, who fired a locomotive for the C. P. railroad out of here back in 1869, was a recent visitor in town.

Mr. Cullen is also the oldest member of Truckee Blue Lodge of Masons No. 200. He joined the organization back in 1877.

In reminiscing of the old days Mr. Cullen remarked to a representative of the Truckee Republican that back in 1869, when he fired for the C. P. nine cars was the train limit, and that they generally took two engines and made a double header for 18 cars. Mr. Cullen was made an engineer in 1872.

Truckee of today has no semblance whatever of the Truckee of the old days, according to Mr. Cullen. He stated that he would never know the place. That back in 1869 the hotel and main street was on the other side of the tracks.

Mr. Cullen is a pensioned employee of the S. P. and makes his home at 2100 57th Avenue, Oakland.

Mr. Cullen made the trip here especially to attend another meeting of his old lodge of Masons.

Three new summer homes being built in the government tract on the north rim of Emerald Bay are nearing completion and will soon be occupied by their builders L. T. Grady of Tracy Chamber of Commerce, Mr. and Mrs. Scott Cochran and Mr. J. Rupert Bradley of Emerald Bay.

MOTHER WATCHES SON DROWN

STOCKHOLM — Before the eyes of their mother and seven brothers and sisters three boys were drowned in a lake at Ronneby, Sweden. They were attempting to rescue a bather who had been seized with a cramp. The bather also was drowned.

GOVERNOR SIGNS TAX DELINQUENT REDEMPTION BILL

Legislation reducing tax delinquency penalties and providing that property sold to the state for tax delinquencies prior to January 1, 1933, may be redeemed by paying the delinquencies in ten annual installments is in effect today, with its approval by Governor James Rolph.

Passage of the act was obtained Friday, and it is the first measure of the current recessed session to be signed by the governor.

"This is the most important piece of legislation of the session in giving relief to unfortunate taxpayers," the governor remarked. The bill was introduced by Senator William H. Harper, San Diego.

Payment of the redemption installments commence April 20, 1934. The only charge against the landowners for the delinquency is a 7 per cent interest charge, other penalties and redemption charges being abolished.

The governor said:

"I believe this law will bring millions of dollars to the counties in delinquent taxes, and will save thousands of farms and homes to the owners. I advise everyone owing delinquent taxes to inform themselves immediately of this law, so they may take advantage of it."

LEGAL NOTICE SPECIAL NOTICE

There will be a special meeting at the Truckee Grammar School at 7:00 P. M. on Saturday evening July 29, 1933, to discuss the grammar school budget for the coming year.

Plans Developing for Horse Racing

By MELVIN LORD
(United Press Staff Correspondent)

SACRAMENTO, Cal., July 27—(UP)—California's dictum that pari-mutuel betting on horse races has put into movement a vast machinery looking toward the rejuvenation of racing in California.

Encouraged by the huge vote in favor of legalized betting, horse breeders are anticipating a successful series of racing meets.

The official vote, as announced by Secretary of State Frank C. Jordan, was \$95,208 in favor of the horse racing amendment and 478,580 against. In Nevada county the vote was yes, 1,954; no, 906.

While new tracks are being planned throughout the state, particularly adjacent to large cities, the most recent development was the announcement of the board of state fair directors that this year's exposition in September would be featured by an extraordinary track

program including both running and harness races.

The pari-mutuel betting machines are to be installed beneath the huge fair grounds grandstand, it was announced.

While ambitious plans for racing programs continue to go ahead under the new law, the appointment of a racing commission was yet to be announced. The delay was caused partly because of a mixup in bills the governor having signed one measure that called for a commission of five members, and another providing for three members subject to confirmation by an unfriendly senate.

Another angle of the racing question was seen in the introduction of a bill by Assemblyman Walter Sullivan, Compton, legalizing pari-mutuel betting on dog races. It is estimated such a plan would bring several millions of dollars into state coffers in addition to the revenue from the horse race betting.

Christian Science

"Love" will be the subject of the Lesson-Sermon Sunday, July 30, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "Sing, O heavens, and be joyful, O earth, and break forth into singing, O mountains; for the Lord hath comforted his people, and will have mercy upon his afflicted" (Isa. 49: 13). Other Bible citations will include: "And we have known and believed the love that God hath to us. God is love; and he that dwelleth in love dwelleth in God and God in him" (I John 4:16).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: Divine Love is infinite. Therefore all that really exists is in and of God, and manifests His love." (p. 340).

'LADY OF LAMPS' PASSES IN SEATTLE

SEATTLE, Wash., July 27—(UP)—Mrs. Frances Jackson, 88-year-old recluse, known to Seattle residents as the "Old Lady of the Lamps," died recently.

Although believed to possess approximately \$90,000 in securities, Mrs. Jackson's death was attributed principally to malnutrition.

She was dubbed the "lady of the lamps" because of her refusal to permit the installation of electricity or gas burners in her house.

TRAIL EXTENDS 2470 MILES IN UNBROKEN LINE

LOS ANGELES, Cal., July 27—(UP)—Take a hike some day along a 2470-mile trail extending from Canada to Mexico in an unbroken line.

The trail, somewhat of a national monument, is arising from this period of economic stress and is one of the major projects of the civilian conservation corps on the west coast.

Sponsored by Clinton C. Clarke wealthy Pasadena sportsman, the trail is longer and more scenic than the famous trails of Germany and England. It lies almost entirely within national forest reserve and national parks.

The trail winds through the high glacier country of Washington and Oregon, down through Yosemite and Sequoia national parks, dips into the desert behind the local coast ranges. It lies almost entirely above the 5000-foot level.

Intended purely as a wilderness path, the trail cannot be commercialized, Clarke said. Only 275 miles of its length are over roads, and but 225 miles cross undeveloped areas. It is intersected by main roads at an average of every 100 miles, except for a 300-mile stretch in the Yosemite country.

Way stations are being constructed a day's journey apart, so that travelers may find haven, food and medical treatment if necessary.

fish—especially the fresh water variety like trout. Other delicately flavored fish may also be fried. If you live near a trout stream you might catch your own when you serve the menu above. If not get them at the market and if they are not already cleaned do so as soon as you get them home.

Wash them off under cold, running water and remove the heads if you wish. Then wipe them off and roll in fine corn meal. Fry in lots of smoking hot fat until delicately browned on one side, then turn carefully to prevent breaking and brown on the other side. Dress them with salt and pepper and garnish the platter with little pinwheels cut from lemon and crisp leaves of watercress. If you broil the fish instead of frying them, dip them in oil or melted butter but do not dredge with flour or meal. Have the broiler hot and the rack well oiled so the fish will not stick. Crisp bacon curls are also nice with fish.

Muffins or Rolls

Crisp little cornmeal muffins or crisp French rolls and plenty of coffee should be served with this meal. There's nothing elaborate about it, nothing particularly original but it is good and you can serve it wherever you happen to live.

The second meal is not so simple but it is good. It begins with a crabmeat cocktail for which either fresh or canned crabmeat may be used. Make a cocktail sauce from one-half cup tomato catsup, one-half cup finely chopped sour mustard pickles and two tablespoons lemon juice. Mix with one and one-half cups of flaked crabmeat and chill thoroughly. Serve in cocktail glasses surrounded with cracked ice.

Simple Methods Best

In cooking fish as in cooking many other foods, the simplest method is the best—although we find many elaborate recipes for using that food. Broiling or frying is the simplest and at the same time most dignified method of preparing and serving fish. I tail glasses surrounded with prefer frying for some types of

'I Always Market Here'

Of course, Mrs. Brown always markets here. She's a typical modern housewife . . . smart thrifty, quality-conscious and with a genuine pride in her table. She shopped around, of course, before she decided to buy here. But by comparing our prices and quality with others, there was not alternative but to shop here—because her food budget goes farther here.

TRY IT YOURSELF AND NOTICE THE
DIFFERENCE. YOU SAVE WHEN
YOU BUY HERE.

R. A. TONINI GROCERY

BETTER GROCERIES AT BETTER PRICES

Everybody is interested in saving, but when you can save on quality food it's time to become enthusiastic. Our buying power, plus a constant adherence to one standard of quality (the best), brings values that balance the budget with ease. Take our foods into your kitchen—give them any test. We believe you will be a steady customer here after using our products just once.

CHAMBER OF COMMERCE
Truckee, California

July 26, 1933

Stanley Davier, Publisher,
Truckee Republican,
Truckee, Calif.

Dear Mr. Davier:

On behalf of the people of Truckee, I desire to express our sincere appreciation for the splendid idea you put forth that led to the holding of the National Governors' and Frontier Day Celebration on July 22 and 23.

We are deeply indebted to the Truckee Republican for the fine leadership it has shown throughout this celebration and the cooperation it has so generously extended to the Committee.

Sincerely yours,
C. B. WHITE, President
Truckee Chamber of Commerce
Chairman, Frontier Day
Celebration

Jean de Strelecki, well known artist, who is summering at Lake Tahoe, has an exhibit of his paintings at the New York Shop in the Riverside Hotel in Reno.
